

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.medica.com or by calling 952-945-8000 (Minneapolis/St. Paul Metro area) or 1-800-952-3455. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or www.ccoio.cms.gov or call Medica at the numbers above to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	\$3,000 per person/ \$7,500 per family <u>in-network</u> and \$4,000 per person/ \$12,000 per family for <u>out-of-network</u> services.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care, ambulance, <u>copayments</u> , hospice, prenatal, postnatal, well child or prescription drugs from <u>in-network providers</u> or well child from <u>out-of-network providers</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	\$6,000 per person/ \$18,000 per family <u>in-network</u> . \$7,000 per person/ \$21,000 per family for <u>out-of-network</u> services.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.medica.com or call 1-800-952-3455 or 711 (TTY users) for a list of Medica Choice with UnitedHealthcare <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No. You don't need a <u>referral</u> to see a <u>specialist</u> .	You can see the <u>specialist</u> you choose without a <u>referral</u> .
